

Year 6 Reading Activity

There are lots of opportunities for reading in Year 6, and it's a good time to think about which books interest you and why. Here are some reading tasks to get you started...

1. **Complete a book review of your favourite book you have read this year.**
2. **Write down two books you would like to read this year, and two books you would recommend to others.** You can use the '100 Books to read before Year 6' to help you. Maybe your new Year 6 teacher will have some suggestions for you in September, and your list will grow as the year goes on!
