5<sup>th</sup> November 2021

Dear Parents/Carers,

I hope you all had a refreshing half term and would like to all the parents and staff for participating in parents evening.

### Remembrance Poppies

Poppies will be on sale in each class Monday, Tuesday and Wednesday next week if your child would like to buy one they can bring some money in for the collection box.

### Children in Need

Miss Dickenson will be organising some fun Joe Wicks exercise sessions for each class on Friday 19<sup>th</sup> November so if children could ensure that their PE kit is in school please. In addition, pupils can bring in a suggested £1 donation to Children in Need and wear a bright coloured jumper for the day.

### TT Rock Stars

Mr Gargiulo has some attached some information regarding a fun maths competition being run by TT Rock Stars that your child can participate in from home.

### Photographs

Individual photos will be in school on Tuesday 9<sup>th</sup> November as previously mentioned we will endeavour to take photos of siblings who attend school.

### Global Dimensions

Next Thursday, as part of our global dimensions work, Year 5 will be completing a 'packed lunch survey'. We will be finding out what kind of packaging is commonly being used in our packed lunches, and then using the information to produce some helpful recycling guidance. Children do not need to all have a packed lunch on Thursday, but should bring or order their lunch as they usually do. We think it will be a fascinating exercise!

### Safety Outside of School

Could we please appeal to parents/carers to park away from the school and walk to the gates if possible as we have had a couple of near misses as it can get very congested at the start and end of school.

With very best wishes,

Caroline Hancy
