## Strategies for learning spellings

Here are some ideas if you are a little stuck on how to best practise your words.

- Look, Say, Cover, Write, Check
- Keep Copying: Write your words out three times each. Use different colours if you want to.
- Make the Headlines: Cut letters out of newspapers or magazines and stick them onto paper to make the words in your list.
- Pyramid Spellings: Make a pyramid using the letters in your words by adding them in one by one.
- Create with Colour: Write your words with each letter in a different colour, or write them with all the vowels in blue and all the consonants in red.
- Capital Idea: Write your words three times, each in capital letters.
- Learn your ABC: Write your words in alphabetical order, then rewrite them in order of the second letter, the third letter and so on.
- Take a Test: Ask someone at home to test you by reading each word as you write it down. To make it more of a challenge, set a time limit.
- Build a Sentence: Write each of your words in a sentence. See if you can build your sentences into a story.
- Bubble Writing: Present each of your spellings in a fun poster, with bubble writing or different fonts.
