

New SUNDAY Swimming Lessons at Pocklington School Pool, West Green, Pocklington

If interested please email thedropoff99@gmail.com or whats app 07803553493 for more information.

My name is Louise, I am offering private swimming lessons at Pocklington School, West Green, Pocklington on Sundays at 11.30am, 12, 13.30pm, 1pm for children 4yrs upwards.

Pre Summer Course dates;

4th May, 8th June, 15th June, 29th June and 6th July - £55

I have over 35 years of swimming teaching experience. DBS/CRB checked, Safeguarding Tutor, STA Swimming Teacher, Examiner, Tutor, RLSS Lifeguard Trainer Assessor.

My ethos to teaching is to always approach with a smile and ensure the swimmers are enjoying their learning experience. I am very friendly, kind and have lots of patience. I never make a swimmer do something they do not feel they are ready to try. However, I always get results and it's even more rewarding for the swimmers having completed the skills themselves and in their own time.

I guarantee that it will always be me, never a substitute teacher.

My classes are small, no more than 6 in the beginner classes. I teach beginners, improvers and advanced swimmers.

I don't run the lessons in the holidays, everyone needs a break

I often teach different levels in the same class, which does mean, that siblings can attend at the same time, cutting down the amount of waiting around for parents. I sometimes use fins to assist with stamina and technique.

I offer an award scheme to show progress.

I run the lessons in blocks and ask for payment up front before the block starts to ensure the hire of the pool can be met and places secured.

I ask for payment for the full block, even if you can't attend all the weeks.

The lessons would stop for the summer holidays and a new block would start again in September.

I may also look at offering some crash courses in the summer holidays.

Feedback from current classes and swimmers;

The lessons are fun and safe, as a parent I can see the classes from the spectator area, Louise is calm and patient with my child.

My child has progressed so well and is so much more confident in the water. The classes are small and there have been no times that Louise is away and there has never been a cover teacher.

The classes are only scheduled in the termtime, which is great as we are away most holidays!

Louise is always smiling, there has never been a time when she isn't happy!
