Dear Parents and Carers,

RE: Ofsted Inspection Report

I'm delighted to share our Ofsted Report with you following our inspection on the 22nd and 23rd September.

Dunnington CE Primary School has been awarded **"Expected Standard" in all areas**, with achievement judged to be at **"Strong Standard"**.

We're extremely happy that the hard work of our staff has been recognised, and I'm sure you'll join me in congratulating everyone who works and volunteers at our school.

I want to draw your attention to the following feedback we received:

"Pupils are proud to belong to this welcoming and caring school."

"By the end of Key Stage 2, pupils attain highly in reading, writing and mathematics."

"Outcomes are stronger than national patterns and have remained positive over time."

"Leaders place inclusion, relationships and wellbeing at the centre of school life."

"Parents and carers who spoke with inspectors value staff's approachability and the support provided to their children."

I also want to personally thank everyone who took the time to complete Ofsted's Parent View survey. Your feedback is incredibly valuable and will help us as we continue to build on our strengths and make our school the best it can be for every child.

The full report is attached and will be available via our website and the Ofsted website in the next few days.

What this means for us now:

- Our senior leadership team will be reviewing all the feedback we received over the course of the inspection in depth, and we'll look to update our school improvement plan.

**Growing and learning together to be the best that we can be,
in an environment based on Christian Values**

- We'll update staff/governors on how we'll apply any feedback as part of our ongoing plan of action to improve the school.
- Our next inspection will be in approximately 4 years.

Thank you once again for all the support you continue to give our school.

If you have any questions, please don't hesitate to contact me.

Best wishes,

Clare Thompson
